February 10, 2022

Reference: Letter No. 8/9/2021-SCS/10383 dated September 03, 2021 from Under Secretary (SCS) on the subject 'Information related to commemoration of 75th Anniversary of India's Independence'.

**Activities carried out under Category A for the month of January, 2022**

1. To celebrate Indian Independence and highlight the contributions of Atomic Energy in the development of the nation as Aatmanirbhar Bharat, the model of the 700 MWe indigenously designed Pressurized Heavy Water Reactor was handed over to the Kota Science Center and installed in the nuclear miniature gallery made by NPCIL at the Science Center. The event was virtually inaugurated by the Honourable Minister of Science and Technology, Government of Rajasthan in the presence of other dignitaries.
2. In order to commemorate the celebrations, special articles are being published by NPCIL in scientific and management magazines which have a wide outreach. Under this initiative, **Survival Secrets** (8 simple ways to manage work-life balance) was published in Indian Management, November 2021 issue and **India's Pressurized Heavy Water Reactor's Voyage** was published in Scientific India magazine's web portal in January 2022 and is subsequently going to appear in its print edition.
3. Many competitions are being organized for the employees of NPCIL specially to celebrate Azadi ka Amrit Mahotsava. Among them the results of two of the competitions, Short Film Competition depicting the theme of "**Contribution of NPCIL in the development of the nation**" and the Poetry Competition on the theme of "**Independent India**" were declared on the occasion of the Republic Day and the winners were felicitated.
4. In order to celebrate 75 years of Indian Independence, a special webinar series has been started by NPCIL in technical collaboration with HBNI for the benefit of all its employees pan India. The first talk in the series was conducted on January 23, 2022 on the topic "**Stress Management through Self-Empowerment**" by Dr. E.V. Swaminathan. It has already benefited more than 220 employees. Since the recorded lecture is available on you tube so it is expected to benefit and motivate many more.
5. A total of 12 outreach programs were organized during the month, comprising of 08 site visits and 04 lectures (including online / webinars) imparting awareness to 27,300 in January
6. Also about 220 people were reached out by means of distribution of publications.

**Tasks and Mission under Category B for the month of January, 2022**
