These instruments are not available in open market. M/s Electronet Pune has developed such type of instrument in consultation with design group HQ, mumbai. These instruments can be used for measurement without any external power for long time. These instrument were procured under PO-CMM/NAPS/X/ 16137 /PO-25931, CMM/NAPS/X/ 19342 /PO-27895. Battery of instrument is to be replaced on two years period or when battery is not able to maintain its output voltage. Presently no battery is available at NAPS. There are 9 numbers of instruments which require 36 numbers of batteries for replacement. So it is proposed to procure 50 numbers of batteries including 12 spares from M/s ElectronetEquipments PVT LTD, Pune who is OEM and manufacturer of instrument. Approval of competent authority is requested for procurement of 50 numbers of battery for instrument model-016MB, make- M/s Electronet PVT LTD, Pune.</p>	SME(I)	-	NAPS
